Dear Ms Poot

TEAMBUILDING WORKSHOP: 02 AND 05 MAY 2006

We would like to express our warmest gratitude for the professional way in which you facilitated the Teambuilding workshop held on 02 and 05 May 2006 for all the Embassy staff.

The ideas and views exchanged and gained from the workshop were very fruitful, empowering and are in no doubt making a meaning impact on our work. There is improved personal and organizational effectiveness since colleagues learnt to communicate and plan better and are now more proactive.

Thank you very much on behalf of all the colleagues for having agreed to facilitate what has been a very enjoyable workshop.

Kind regards

AMBASSADOR
